SUBJECT: ROBBIE HASKETT

Dear Andy:

Thanks for the material you recently sent. This is most helpful as we start a file.

Enclosed is an Ineligible Volunteer Record Sheet which we must have so we can identify Mr. Haskett. Please give us as much information as possible, so we can make certain we prevent him from registering in the future.

This event occurred almost a year ago, and we wondered if there is going to be any legal action. We would like a statement from you indicating that, so we can then close our file with the information available, if there is to be no legal action.

Thanks for your help.

Sincerely,

Paul Ernst, Director
Registration and Statistical Service

Dear Robbie:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is concern that an individual may not meet the high standards of membership which the BSA seeks.

If you wish to have this decision reviewed by a BSA Regional Review Committee, please write to the Regional Director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted. The procedures for a review of this decision are attached.

Sincerely yours,

David Allen
Scout Executive
